CHECK OUT OUR BEER LIST

MOON HILL BREWING CO.

Brewed Right Here In House!

Our Story

We live in a village and the village meets here, at the Moon Hill Brewing Co., also known as the Gardner Ale House. Our pub is our heart. We think of it as Main Street — where the people are. We offer a warm sense of place, friendly faces and everything made here. We add our love of fresh, interesting food and drink to that.

Craft beer is our first love. We began brewing in 2006, choosing classic European ales and lagers and later developed new recipes from that foundation. We now brew sours, IPAs, pale ales, ESBs, diverse lagers and the list gets longer with each new release. **Welcome to the neighborhood!**
